“It’s strange when you get old, because you’re being cared for instead of caring for people. You have no choice but to rely on the kindness of others.”

~ Brother Robert Collier, Masonic Village at Burlington resident
Brethren and Friends:

For 120 years, countless individuals have relied on the Masonic Charity Foundation of New Jersey to be there in times of need. It may be an older adult in desperate need of care and services he or she cannot afford. It may be a student who has goals to make a difference in the world but needs assistance paying for higher education. It may be a Mason facing a difficult situation and in need of help with basic necessities.

Keeping such a robust and diverse mission going strong for more than a century requires a hardworking team, creative planning and adaptability. The expansion of retirement living services at Masonic Village is just one of the changes helping to enhance revenue. Our mission also needs the support of donors, like you, who believe in the mission and want to see it continue to grow for another century.

Much will change over the next 120 years. While operations and regulations may evolve, the core of our mission will remain steadfast. Learn more about the impact of your gifts throughout this report. Thank you for your part in the Masonic Charity Foundation of New Jersey's long history of making a positive difference in the lives of others.

Sincerely and fraternally,

M.W. Roger B. Quintana
Grand Master and Chairman
Masonic Charity Foundation of NJ

R.W. Keith A. Herman, P.G.Mar.
President, Board of Trustees
Masonic Charity Foundation of NJ
Brother Virgil Keen, Beverly Riverside Lodge No. 107, passed away last summer at the age of 97. He was a man who lived every aspect of his life – as a soldier, husband, friend, Mason, employee, father, grandfather, donor and volunteer – to the fullest. He continues to influence friends, family and those who live and work at Masonic Village.

After growing up and working on his family’s farm, Brother Virgil served in the U.S. Army during World War II. An injury led to a medical discharge, but he continued to contribute to war efforts by working in shipyards in Brooklyn. His subsequent jobs included New York City police officer, running his own extermination company, bank teller and working for chemical and manufacturing companies.

“He was a very strong, religious, dedicated, loving, caring man,” daughter Karen Spelman said. “I couldn’t have asked for a better father. He was always there to lend a helping hand to anyone and anywhere. He was a great role model.”

Freemasonry was central in the lives of Brother Virgil, who joined the Masonic fraternity in his early 20s, and his wife, Bernice, who belonged to the Order of the Eastern Star. Their evenings frequently consisted of meetings and family functions related to a Masonic group.

“All of my parents’ close friends were Masons; in fact, they were closer than family,” Karen said. “I have so many childhood memories of gatherings, pot lucks and parades.

“He loved the fraternity. He was a Masons’ Mason. He lived it and breathed it. It meant the world to him.”

Brother Virgil took his roles as a Mason and a father to heart. The father of three daughters, he was loving and attentive and covered all life’s basic lessons, like learning to drive and how to repair a car. It was the way he lived, though, that made the biggest impression on Karen. She remembers her father constantly helping neighbors, including one who didn't speak English.

“Somehow, he would always take care of it,” she said. “If he liked you, he couldn’t do enough for you.”

As a grandfather, he doted on his grandchildren, cooking them his signature oatmeal and spaghetti sauce. He was also a dedicated husband. When Bernice’s health began to decline, he cared for her until he felt he could no longer meet her needs. In 2003, he told his daughters they were moving to the then-Masonic Home of New Jersey. The community quickly grew to know and love Brother Virgil.

After Bernice passed away, he remained as active as always. He volunteered to help in the laundry folding clothes and towels, and assisted Cheryl Reed in the finance department with filing. He had his own desk, and if there was nothing to file, he’d sit and read books and keep up with Masonic readings. Even once standing became difficult, he continued to go to “work” every day.
“Virgil was a very kind man and willing to help with anything,” Cheryl said. “He was dedicated to the Masons and their affiliates, going to meetings even if he couldn’t drive himself. He had many stories about his life over the years and had such a good memory.”

“He was such a great man. I’m sorry he’s gone,” Karen said. “Soon after he passed, there were still signs he was there with me. I feel my parents around me all the time.”

Brother Virgil’s impact continues to be felt by others, too, including residents of Masonic Village. He gave annually and set up several planned gifts to support the Masonic Charity Foundation. He opened two gift annuities and remembered the Foundation in his Will.

“He constantly wanted to give back,” Karen said. “He would give to all the Masonic charities. He wanted to be there to help anyway he could.”

Inspired by the Masonic fraternity, Brother Virgil lived to help others, so it is fitting he continues to benefit those in need after his death. Residents of Masonic Village continue to feel his spirit every day through the care they receive.

**Your Gifts at Work**

**Scholarship and Youth Programs**
To help worthy students fulfill their educational goals, the Masonic Charity Foundation sponsors seven scholarship programs. In 2018, $429,000 in scholarships was distributed to 49 students pursuing degrees across all academic disciplines.

The Foundation also provided $35,000 to sponsor the Masonic Model Student Program. New Jersey educators attend this program at no cost and learn how to identify and help at-risk students.

**Reaching Out**
The Outreach Program continues to impact lives. In 2018, it provided $164,725 through the Ashlar Fund to assist 34 Masons and their families. The program also provides information and resources for those in need.
Your donations make it all possible. During calendar year 2018, donors contributed $3.8 million in cash and made $3.7 million in formal pledges of support. These gifts enabled us to provide for $8.4 million in charitable care and unreimbursed Medicare and Medicaid program costs.

- 418 residents (plus 125 short-term rehab patients)
- 345 team members (full- and part-time)
- 146 residents moved in during 2018
- 7 “Best of Burlington County” awards in 2018
- 8 residents over age 100
- 679 volunteers
- 88% of operating budget supports program costs
- 11% supports administrative costs
- 1% supports fundraising costs
Through Your Support

The Masonic Charity Foundation and Masonic Village at Burlington impact the lives of residents and those in need because of the generosity of individuals like YOU.

For those who may not be able to afford the services they need, your support is invaluable. In addition to day-to-day care and necessities, new items benefiting residents, thanks to donor contributions, include a vital signs monitoring cart, a blanket warmer and nurse call equipment. One donor enabled us to purchase special tilt mirrors and cooling memory foam mattresses for the short-term rehabilitation neighborhood, to help those on the road to recovery return home even faster.

Growing Grow Memorial Hall

Grow Memorial Hall was renovated in 2018 thanks to the Boor Family Fund, which provided more than $260,000 for improvements. A long-time donor, W.B. Stephen Boor established this fund upon his death to honor his wife, Rose Boor, and his mother, Katerina Boor. Interest from the fund is used to provide for improvements to benefit residents. All inside finishes in the hall (flooring, ceiling, lighting and walls) were renovated and updated, and the hall is now more of a clubhouse than an auditorium. For residents, this means a new space for movie nights, resident association meetings and other special events. Local blue lodge and appendant Masonic bodies also use Grow Hall for Masonic meetings.

Not So Tricky

The annual Tricky Tray fundraiser, which included raffling 300+ baskets, raised more than $47,000. These funds are used to buy items which make life more comfortable, safe and enjoyable for residents, but are not included in the general budget. In 2018, funds were used to purchase Christmas trees for the community, specialty mattresses and specialized equipment for the therapy room, as well as provide parties and entertainment for residents. Thanks to all the volunteers and donors who contribute to this unique event.

Drawing closer to fulfillment of its repositioning plan, the Masonic Charity Foundation experienced a pivotal year in 2018. Occupancy on the new cottages began in early 2018 and continued throughout the year. Nursing beds were converted to newly renovated retirement living rentals and assisted living memory support services were added in 2018.

Our operating revenues for 2018 decreased by approximately $1.6 million from 2017 levels. This correlated to a reduction in the average number of skilled nursing beds available, offset by the opening of new retirement living units, over the same time period.

Overall, our operating expenses increased $1.7 million. As a percentage of total operating expenses, salaries, wages and benefits dropped from about 50% to 46% and decreased by approximately $571,000 from 2017. This is reflective of our commitment to not lay off staff during the repositioning project and demonstrates alignment of staffing patterns with available beds. Other operating expenses increased about $1.3 million, primarily due to therapy costs associated with skilled nursing care. Depreciation, reflective of significant capital improvements over recent years, increased by $637,000 over 2017. Interest expense increased by approximately $1.2 million over the prior year as a result of financing the capital improvements. The 2017 costs included a $779,000 loss on refinancing debt associated with the project financing.

Recognizing non-operating gains enabled us to carry out our mission; charitable giving for 2018 was approximately $1.3 million more than 2017. Interest and dividend income yielded about $494,000 more in 2018, whereas realized losses of about $382,000 were recognized, compared to realized gains of over $6.3 million for 2017.

Our capital reinvestment during 2018 was significant – approximately $35 million was spent on relevant projects, designed to renew our community and help to ensure long-term success.

Masonic Charity Foundation continues on its transformative journey – one which ultimately positions us to provide quality services to Masons and their families regardless of their ability to pay, as their needs evolve, as long as they require. We are enthusiastic about the future of the Masonic Charity Foundation and our ability to serve individuals in the traditions of Freemasonry.

A Community Treasure

“Everyone is so wonderful and friendly. They speak to you whether they know you or not. Compared to another place I lived, it’s like heaven here. I enjoy helping others, volunteering in the Treasure Trove shop and sewing walker bags. People found out I sew, and they ask me to fix things. I get to meet all kinds of people. I never charge them. I say, ‘you just owe me a smile and a thank you.’ I think how lucky I am to be here every day. I can’t even put it into words. I wake up every morning and look out the window, and I’m happy to see another day. Everything I say comes right from my heart.”

~ resident Dorothy Brown

Community Impact

Masonic Village, Acacia Hospice and its team members appreciate the feeling that comes from helping others. In 2018, their efforts included:

Through a raffle for a big screen TV, team members, residents and family members raised $4,297 to benefit seniors who were impacted by Hurricane Florence.

During the 2018 holiday season, team members participated in Oaks Integrated Care’s Sharing the Joy program by generously sponsoring eight families. Team members provided “wish list” items for these families who are struggling to make ends meet, and helped to make their holidays brighter.

Strength for the Future

Construction of 66 retirement living cottages has been completed at Masonic Village, as well as the development of 82 new retirement living rentals residences. Due to continued interest in additional memory support services, we added a 20-suite secured neighborhood to the first floor of the health care center in 2018. This neighborhood and the adjacent long-term care secured memory support neighborhood each have access to a secured outdoor memory garden. These projects, and the generosity of our donors, allow us to strengthen our mission by extending our services to Masons, their families and the local community.
With your support, patients facing terminal illnesses are given the comfort and care they and their families deserve. Acacia Hospice serves patients at Masonic Village, as well as those in communities throughout Burlington, Camden, and Mercer counties.

The Bridge Program educates patients and their families about end-of-life care and options and offers community resources. Last year, 30 individuals benefitted from this program.

Acacia Hospice participates in the We Honor Veterans program and has achieved the highest ranking of Four Stars. The program’s goal is to ensure veterans have access to the highest quality end-of-life care. To honor veteran patients, Acacia team members ceremoniously drape an American flag over the veteran at the time of death and officially escort him or her to the waiting funeral home vehicle.

Acacia requests flags from the public, and in 2018, received 30 flags, as well as $1,000 to purchase additional flags. Every veteran deserves a proper farewell.

“Right from the start, I knew everyone at Acacia Hospice was there to support us, and I was close to all of them. No matter when I called them, even if it was in the middle of the night, they showed up with a smile. I just won’t be able to forget everything they did for us. It was more than just the medical care. They bonded with everyone, and they knew exactly how to put Bob at peace. Everyone thinks hospice is about dying, but for us and our family, it was about living.”

~ Joyce Ptaszenski, family member
